*John Purchase Public School  
Parents & Citizens Association  
"Participate and Communicate"*

Thanks to our major sponsor

**Murdoch**  
estate agents **Lee**

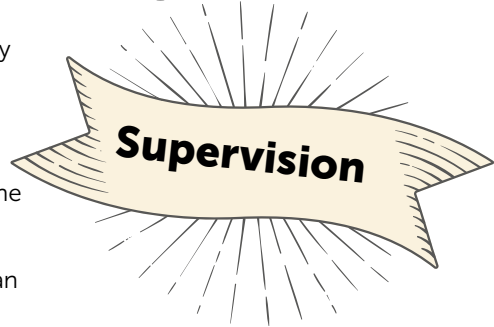

# THINGS YOU NEED TO KNOW

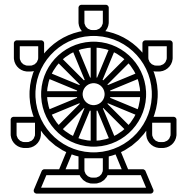

Please remind your children to stay safe and enjoy the fair in groups of two or more. Make sure you decide on a landmark where you and your child can meet if you become separated.

If you are unable to find your child you can visit the information booths at either end of the Fair. Look for the Marquees with the John Purchase Public School Logo. Volunteers present at these stalls can organise announcements to assist children to be reunited with parents or guardians.

Most of the foods that appeal to children – including chocolates, savoury, and sweet biscuits – now carry warnings about the potential for allergic reactions or other health risks. To make sure you and your family have an enjoyable time, please read all labels and heed warnings as as some of these food products may contain allergens.
